

# 30,000 Feet Above The Ground

$\text{♩} = 80$   
D Hm F#m E D

the to-wer's go and the en-gines start to roar a fi-nal se-cond, I  
I try to put my - self in - to the minds of the peo - ple who have

6 Hm F#m E D Hm F#m

have been here be - fore a gen - tle pre-sure, I pushed in - to my seat  
lived be - force manned flight how they dreamed to gain a su - pe - rior point of view

12 F#m E D Hm F#m E Hm D

I feel strangely in - ert des - pite the speed and while the world that we be - live in  
would they be disil - lu - sioned by it, too? I come to the con - clu - sion that it's

19 F#m A Hm D F#m A Hm

starts to dis-ap - pear and is re-placed by structures man has made o - ver the years and structures for - ming pat -  
bet - ter not to know the so-be-ri- ng re - a - li - ty will al-ways feel re - mote when - e - ver we ex - pect

26 D F#m A Hm D F#m A

- terns but no message can be found for a vie-wer fly - ing thir - ty - thousand feet above the ground how we  
a hid-den truth to be a - round we still can't see it thir - ty - thousand feet above the ground and we

33 Hm D A F#m Hm D A F#m Hm D A

worked without a scheme how we failed to find a theme how se-clu - ded are our dreams  
dream of truth in vain and the void in-side re-mains it is built in-to our brains

44 F#m Hm D A F#m Hm D A F#m Hm

from each o - ther so it seams I am fly - ing in a plane I am fly - ing in  
it is flow - ing through our veins

54 D A F#m Hm D A F#m Hm D A F#m

a plane I am fly - ing in a plane I am fly - ing in a plane
